MARTHA STURDY FURNITURE

MARTHA STURDY BELIEVES IN THE INTEGRITY OF ART AND THE ESSENCE OF TRUE FORM. Simple, pure shapes come to life through the materials of casting resin, leather, steel and brass. This is a new kind of modernism: one that is equally concerned with purity and minimalism as it is with humanity and living. Design integrity is achieved through the intrinsic nature of the materials and the hand-crafting of every piece in the collection. Martha Sturdy's work could never be mass-produced. Martha Sturdy furniture, home décor accessories, wall art, and 3D sculptures can be found in internationally-renowned stores from New York to London; from Hong Kong and Tokyo to The Netherlands.

RESIN Available in 16 colours.
See full chart on back for details.

STEEL Available in rust or charcoal grey finishes.

BRASS Available in an antique gold patina finish. Brass tables are designed with an evolving patina so that the table reflects the owner's personality and lifestyle. The brass table does not have a protective coating applied to it; over time, the surface appearance on the table will slowly evolve and change. Any contact with liquid or food may mark the table.

All measurements in inches.
Sizes are approximate and product may not be exactly as illustrated.

Martha Sturdy products are handmade and are one-of-a-kind pieces of functional art. Slight imperfections, air bubbles and variations between pieces are all part of the unique quality.
